

## GL8393 Mens Outdoor Winter Jacket with Soft Overall Printing Fabric and Segmented Sewing

### Short Description:

This is a hot selling mens outdoor jacket in winter, with fashion style, soft fabric and segmented sewing.

### Product Introduction:

This is a morden outdoor winter jacket for men with soft polyester printing fabric. It's a comfortable outdoor jacket mens.

The fabric is 380T polyester with printing. And we make it with segmented sewing. That makes the outlook more attractive. And the fabric is very soft and comfortable.

The soft padding make it much light but very warm.

The elastic piping in hood, cuffs could fit your body well and keep the wind outside. The chin guard in the top zipper could protect your chin very well.

The reflex logo could keep you safe and also could be a decoration.

### Product parameter:

|             |                                                                                                                          |
